MUSKEGON, MICHIGAN

VOLUME VIII

FOREWORD

A school is often seen as a silhouette, a mere shadow of the community. But a silhouette is only one part of the whole, one facet of the complete picture. For a school has many sides—the seniors waiting expectantly for graduation; the underclassmen gaining confidence in the bewildering maze of new teachers and difficult subjects; and the overwhelming frenzy of activities—which all give the school depth and feeling.

The silhouette of the school reveals only the academic side—the side where both underclassmen and seniors join in the endless drive for good grades. Added to this is the excitement of successful season in football, heightened by the winning trophy. The sparkle and enchantment of the Christmas dance, Rhapsody in Snow, is unforgettable. Clubs and activities send the students on a whirlwind pace through the school year.

The silhouette of the school becomes a vivid picture of one year in the lives of many people. Each student, teacher, and administrator adds color and dimension to this picture. We have tried to recapture this in the *1966 Rocket*.

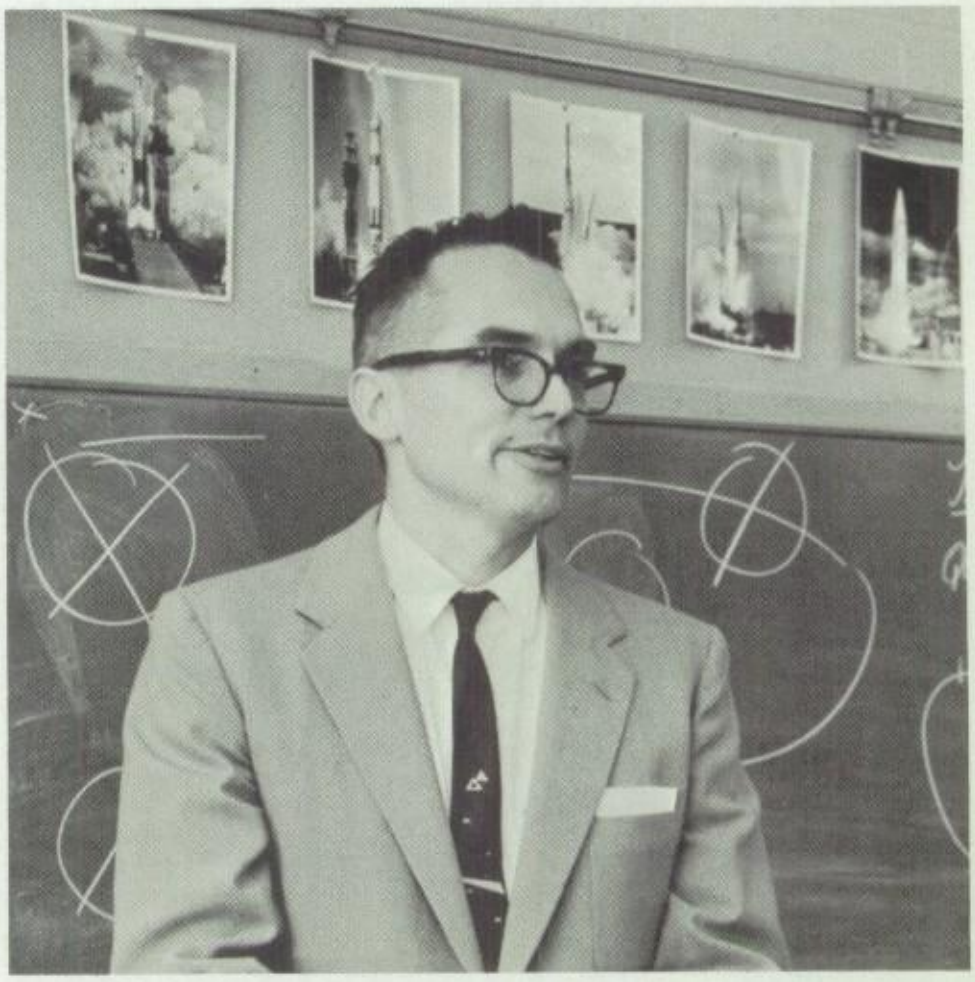
IN MEMORIAM

Mr. Payne, the eighth grade Science teacher, was a quiet man. He showed understanding and wisdom in his dealings with students and other adults. We grew to respect him in his short stay at Reeths-Puffer.

We will always remember his patient devotion to the Science field. Although his path in life was short, the goals and principles he stood for will live on.



Mr. William Payne

When earth's last picture is painted and the tubes are twisted and dried,
When the oldest colours have faded, and the youngest critic has died,
We shall rest, and faith, we shall need it—lie down for an aeon or two,
Till the Master of all Good workmen shall put us to work anew.

And only the Master shall praise us, and only the Master shall blame;
And no one shall work for money, and no one shall work for fame,
But each for the joy of the working, and each, in his separate star,
Shall draw the Thing as he sees It for the God of Things as They are.

From "When Earth's Last Picture Is Painted"
By Rudyard Kipling

MRS. HULT DEDICATES HER LIFE TO ART – WE DEDICATE THIS YEARBOOK TO HER

After spending hours advising students, Mrs. Hult finds time to work on her mosaic.

Wisdom, understanding and talent—these are all qualities of a good teacher. We of the 1966 *Rocket* staff feel that our school boasts of such a teacher—Mrs. Beverly Hult.

In 1959 she began teaching elementary school at Reeths-Puffer. Three years later she became the high school art teacher. For the past four years she has offered hours of dedication and advice to the art students at R-P.

Always fair and willing to help, she is respected and admired by those who know her. Surely many art students at R-P have become better students and citizens because of her wisdom and guidance.

Because of what she has given us, we want to repay her in some way. For this reason we dedicate the *1966 Rocket* to her.

FACULTY and CURRICULUM

When we need guidance and assurance who do we turn to? We turn to our fine staff of teachers, who like Mr. Geerlings are poised and confident. For us this is true, but who can the teachers turn to? Mrs. Kloss and Miss Gossage appear to be in need of guidance and assurance. Perhaps these poor confused teachers only need to get off the fairway and back into the classroom. Once surrounded by their familiar tools they will be out of the rough.

EDUCATIONAL NEEDS OF THE R.P. DISTRICT

THE BOARD OF EDUCATION

The Board of Education is facing increased enrollment, increased building needs and increased costs. Increased milage looms in the future. State aid is not increasing fast enough to take care of increased enrollments.

At present, the Board is taking advantage of federal money to offer remedial programs, including "Head Start" for pre-kindergarten. These apparently are going to continue. A Community School program is in the planning stage and will be established if a grant is obtained from the Flint Mott Foundation.

This year for the first time the Board is negotiating with teachers under a new state law. The R.P. chapter of the M.E.A. has been recognized by an election and represents the Faculty. This is a new dimension in school administration and requires considerable time.

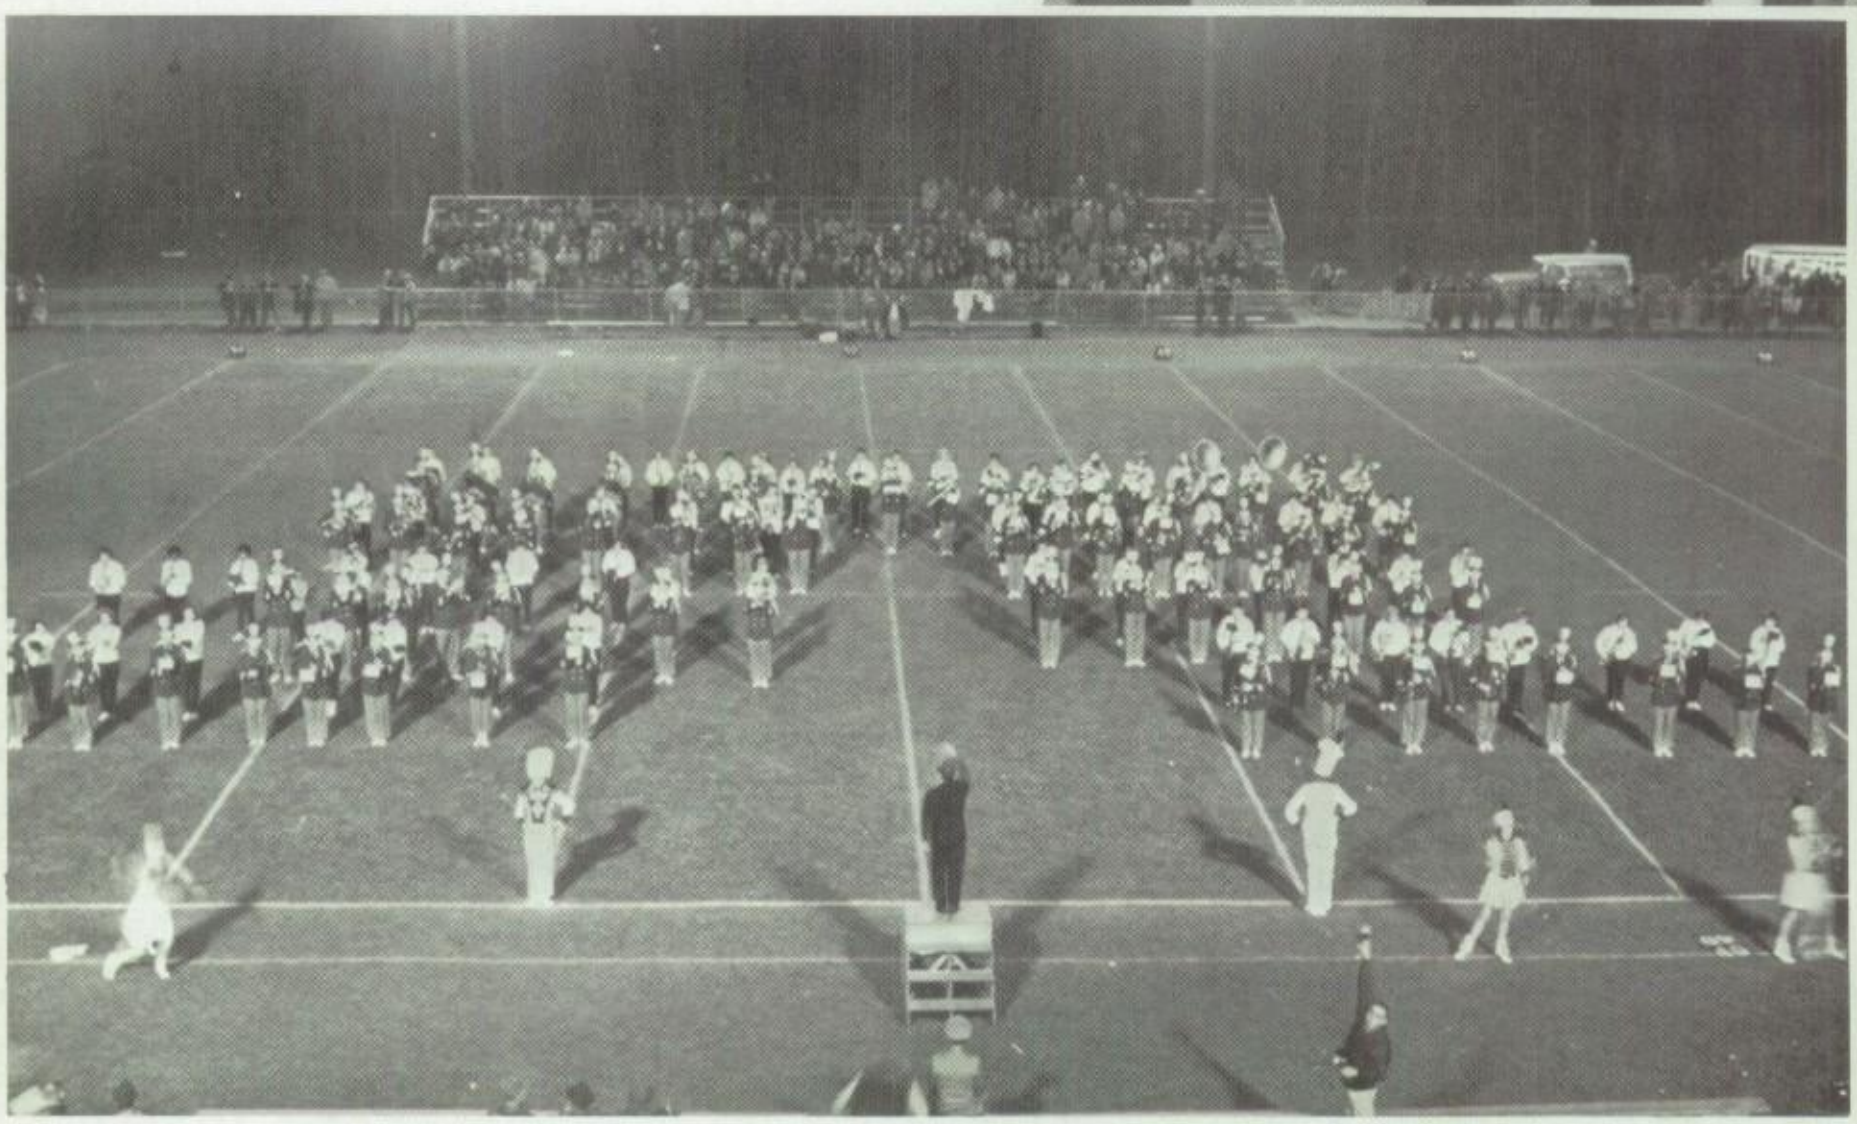
ACTIVITIES

We students have had a busy year participating in many R-P activities.

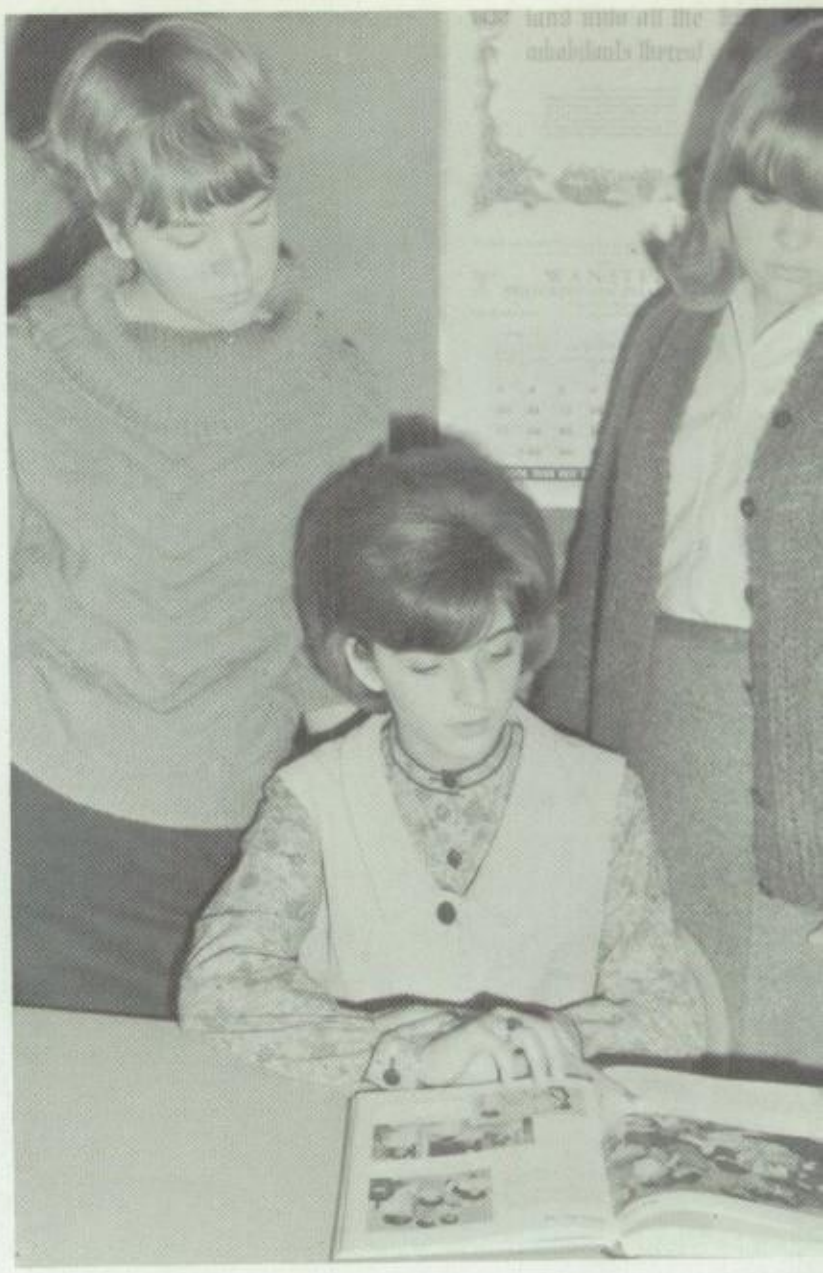
We gained satisfaction in completing another issue of "Contrails," working on the Christmas Dance, and by earning applause during "Reserve Two For Murder."



Our activities provided entertainment and encouraged friendships, but most of all helped us to learn to work together in benefiting our school.

The sports staff: John Brissette, Al Maynard, Editor, and Janese Bischoff, work on a preliminary layout for the football page.

Gary Lynn and Barb Markham worked on the underclassmen section. Sorting pictures and matching the right name with the right photo kept them busy.



The activities staff, Gloria Roberts, Shari Aspey and (Editor) Sue Joslyn plan the format of their pages.

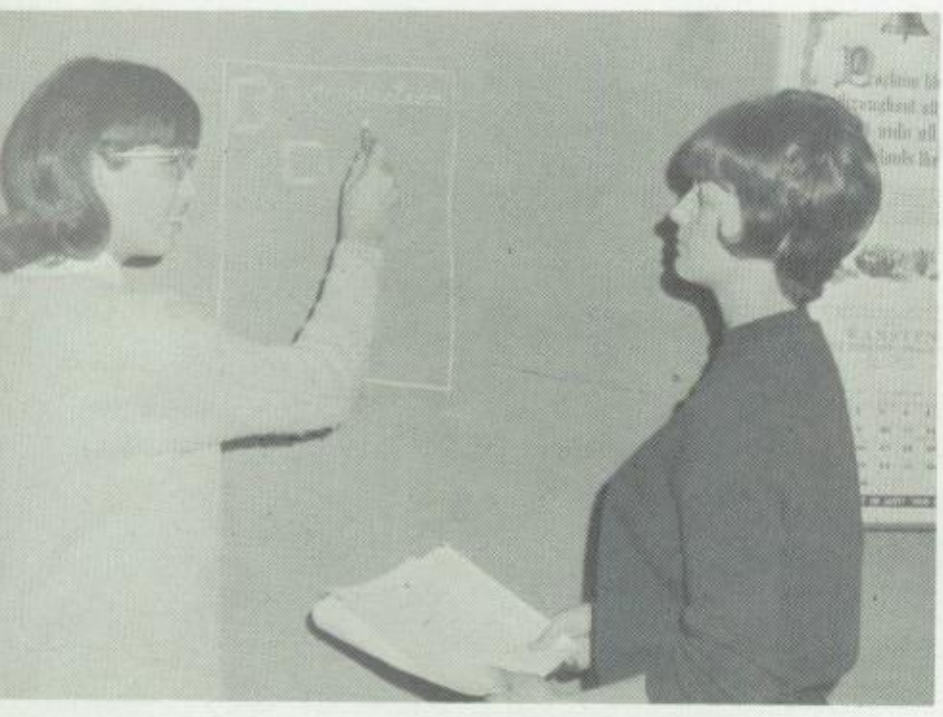
ANNUAL STAFF "WE WORKED HARD, BUT IT WAS WORTH IT."

Left to right: Barb Markham, Assistant Editor; Mr. Hilton, Advisor; and Nancy Druckenmiller, Editor-in-Chief. These three worked hard this year examining copy, making suggestions and correcting errors to make the '66 *Rocket* better than ever.

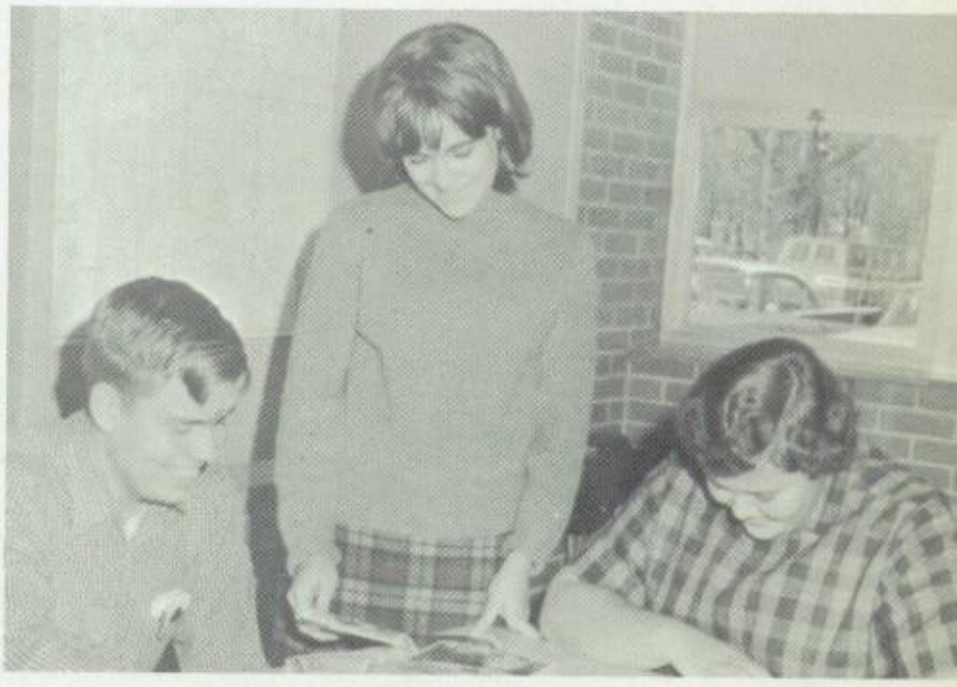
The *Rocket* staff in 1966 was more active and more efficient than ever before. With deadlines to meet, pictures to snap, and copy to write, no one was without a job. The staff began the year with a sales day in which the members sold advertisements to Muskegon merchants and dealers. There was a dance to promote the sale of subscriptions to the 1966 *Rocket*. In November Mr. Hilton, Bonnie Robbins, Jane Perry, and Barb Markham represented R-P at the Ferris State College yearbook workshop in Big Rapids. Hard work and planning followed until the finished product —the 1966 *Rocket*—arrived in the Spring. Students received their copies at the Annual Distribution Dance. Following the dance, busy staff members began the plans for the next year's great issue.

Pam Arnoldi, Business Manager, Mike Stevens and Rick Smith, took care of the business part of the '66 *Rocket* by typing letters, selling ads and subscriptions and keeping track of the yearbook funds.

Suzanne Nastase, Editor, and Jane Perry worked on the senior class section. Here they prepare to start work on their section.



Working on the introduction were Bonnie Robbins and editor Karen Peterson. Here they decided on the layout of their pages.



Left to right: Gary Roen, Editor Sandi McSorley, and Roberta Broek. They were kept busy cropping pictures, writing copy and laying out the pages for the faculty section.

Standing is Mrs. Houghtaling, Y-Teens advisor. Their meetings were held on Tuesdays at the school, and once a month at the YWCA. Their activities included a slumber party, which was held at the YWCA, and a hayride.

"CONTRAILS" STAFF HAS A BUSY YEAR

Seated left to right: Ilka Roehl, Advertising Manager; Linda Champine, reporter; Linda MacMillan, reporter; Margaret Tuttle and Sandy Cross, Social Editors, Dawn Barnett, Organization Editor; Jan Ward, Humor and Class news editor; Cassie Biddle, Reporter; Linda Holt, Reporter, *Standing left to right:* Mr. Stitt, Advisor and Editor in Chief; Mike Nolan, Reporter; Cindy Botbyl, asst. Editor in Chief; Bob Sutherland, Reporter; Larry Maynard, as. Editor General.

The "news" in newspaper was accented in "Contrails" this year—new advisor, new staff, new name and a new outlook. Instead of simply reporting the news "Contrails" was used as a means of commenting on school life. Humor has been added, and the publication has helped to promote school spirit through its fine editorials.

Jan Ward and Larry Maynard, display the cooperativeness o the newspaper staff members.

DEBATE TEAM IS BEST YET

Left to Right: Glen Hartley, Rick Smith, Sharon Knapp, Jerry Slovinski, advisor; Mr. Appelt, Roger Hobbs, Linda Holt, and Frank Flynn.

This year our Debate Team debated with Holland Christian, Big Rapids, Saranac, and Ravenna. They have done much better than in other years. Our Debate Team is improving each year and soon will be one of the best teams in the area. Mr. Appelt, the advisor, has done an excellent job with the team.

SPANISH CLUB LEARNS OF THE CULTURES OF SPAIN

Left to Right: Mr. Picard; advisor, Sue Rollenhagan; treasurer, Linda Booker; secretary, Gaye Schaaf; vice-president, Jan Ward; president.

The Spanish Club was organized with the intent of furthering the students' interest in Spanish. The club is open to all who study or have studied in past years. The club has a variety of activities that promote interest along Spanish lines. Guest Speakers are invited to speak about their countries and cultures; games are devised that enable the student to use his Spanish in a relaxed, informal background; parties are held with Spanish flavoring; and there are other similar activities. It is hoped that the Spanish Club will not only give the student additional insight into the language and customs, but also develope confidence in using the language in an informal atmosphere.

"RESERVE TWO FOR MURDER"

Rocky Corradin and Mike Stevens prevent the escape of Mrs. George Thurston Allen.

Through the directions of Mrs. Houghtaling the Junior play was a great success. We all appreciate the fact that she donated so much of her own time to the completion of this play. Without her efforts "Reserve Two for Murder" would not have been the exciting production that it was. We also want to thank Mr. Houghtaling for supervision.

Evil eyes and nasty sneer describe the wicked murderess, Mrs. George Thurston Allen portrayed by Bonne Robbins.

While speaking Latin and cultivating an interest in Roman history the members of the Latin Club enjoy the fellowship that working together offers and they become acquainted with basic parliamentary procedures in keeping with best Roman tradition. 8. To further interest in home economics.

STAMP CLUB BUILDS COLLECTIONS

The Stamp Club is new this year at Reeths-Puffer. Although small in membership it is very active. The club holds lunch hour meetings once a month. The club is looking forward to its visit to a stamp company. The club's main purpose is to learn more of the mechanics of stamp collecting while building their collections.

Herb Cihak accepts the Seaway Conference Football Championship Trophy in behalf of the student body.

The Student Council of 1965-66 had a busy year planning and organizing activities and projects to benefit and improve our school under the supervision of President Herb Cihak.

One of the first projects of the year which proved to be a great success was the annual S.C. sponsored Homecoming. The members also worked diligently to change the school sign on the corner. In November the S.C. participated in the Student Exchange Day, during which students from area high schools spent a day visiting other schools to learn more about them. At Christmas canned goods were collected and distributed by the members of S.C. to needy families.

This spring the Student of the Month program was resumed. Qualified Students were nominated by students and chosen by the faculty for this honor.

Something new was started this year by the S.C. members. The second week in March was set aside as "Viet Nam Week". During that time various activities were aimed at boosting troop morale there.

The year was a completely successful one as advisor Michael Seymour worked beside the Student Council faithfully and effectively.

HONOR SOCIETY ACCENTS ACHIEVEMENT

Members are: Mr. Bernardini, advisor, Mike Sodini, Dave Petrick, Jim Stapel, Treas., Dick Partridge, V. Pres., Bill Nash, Allen Smith, Herb Cihak, Gerald Sisson, Marge Sherburn, Donna Wiersema, Sec., Jackie Sayles, Historian, Vickie Hindes, Beth Mudget, Karen Peterson, Sandy Ciwakala, Sandy McSorley, Kathy Bayne, Jean Osborn, Kathy Hatch, Barb Markam, Helen McArthur, Sheryl Syers, Gaye Schaaf, and Carol Wiersema. Missing are Pam Arnoldi and Margaret Tuttle, President of the National Honor Society.

Members of the National Honor Society, directed by faculty advisor Mr. Bernardini, were selected by the Reeths-Puffer teaching staff. Eligible Juniors and Seniors with scholastic averages of a "B" or better were judged on the basis of character, service, and leadership. Besides these new members, the National Honor Society also includes three Seniors who were chosen the previous year: Jackie Sayles, Margaret Tuttle and Donna Wiersema. The club sponsored projects decided upon by its members. The 1966 meetings were held every week including a formal induction ceremony introducing members to students, faculty, and parents.

SCIENCE CLUB TRAVELS TO CHICAGO

Left to Right: Rocky Corradin, Treasurer; George Drost, Vice President; Bonnie Robbins, Secretary; Dick Partridge, President; Mr. McNitt, Advisor.

The purpose of this organization is to create interest in the sciences and also teaches its members scientific principles and procedures. Various projects are under-way to help achieve these goals. Experiments in the fields of physics and chemistry are performed and observed. Through these projects the members become more informed about scientific phenomena, and they will be able to apply this knowledge that they acquire in their advanced education at a college or university.

An important activity that the Science Club sponsors is the annual trip to Chicago, where the students visit a museum or another place of scientific interest. The group, as a whole, gains a great abundance of knowledge on this tour and, of course, everyone manages to enjoy themselves.

Varsity Cheerleaders

SANDY CWIAKALA

SUSAN JOSLYN

MARGARET TUTTLE

CONNIE BUYS

PAT LAMBRIX

CHERYL BUCK

PAT DeMARR

Most of the students at R-P don't realize the work that goes into gaining the position of cheerleader. There are hours of thankless practice under the instruction of Mrs. Janet Hartman, advisor for both squads.

There are also many favorable times for the cheerleaders. Has anyone heard about the time that Pat Lambrix *lost* her uniform top? She really left it at home! How about the time that Sue Joslyn fell in the mud shortly after getting her new uniform and when the cheerleaders finally learned the "Quarterback Sneak".

By sponsoring concessions and victory dances they earned money to send the girls to clinics (such as those already attended at Michigan State University, Central Michigan University and Ferris State College) and to buy new uniforms when they are needed.

Enthusiasm & Pep Make Our J.V. Cheerleaders

This year's J.V. Cheerleaders are: Janese Bischoff, Carol Delong, Charlotte Kirksey, Capt., Irene Smith, Shirley Sodini, and Louise Cates.

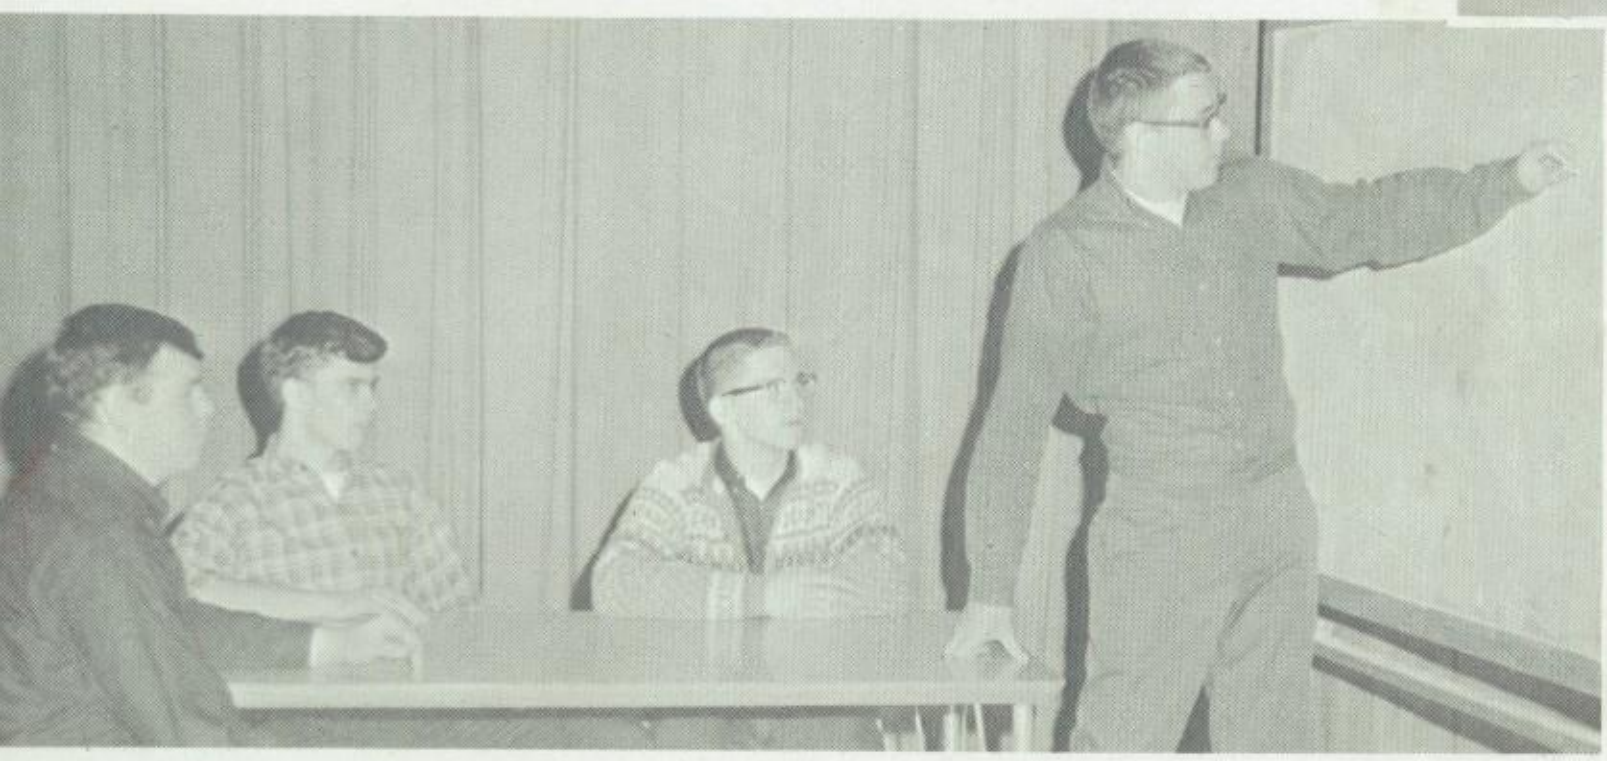
Letterman's Club Builds Sportsmanship



Jim Staple, Treasurer, shows the Letterman's Club officers the amount of money in the treasury. *Seated are:* Dick Broek, Pres., Dave Petrick, Sec., Emil Danz, Vice Pres.

Mrs. Hartman, the advisor for both cheerleading squads is also advisor for GAA. She was also a former R-P cheerleader. She is a true friend to each of her students.

The Letterman's Club has three main purposes: To hold an activity night once a month for recreation. To raise money for special athletic equipment for the school such as the whirlpool, barbells, and walkie-talkies. To keep the sportsmanship of our athletes on a high level.

Evening in Paris

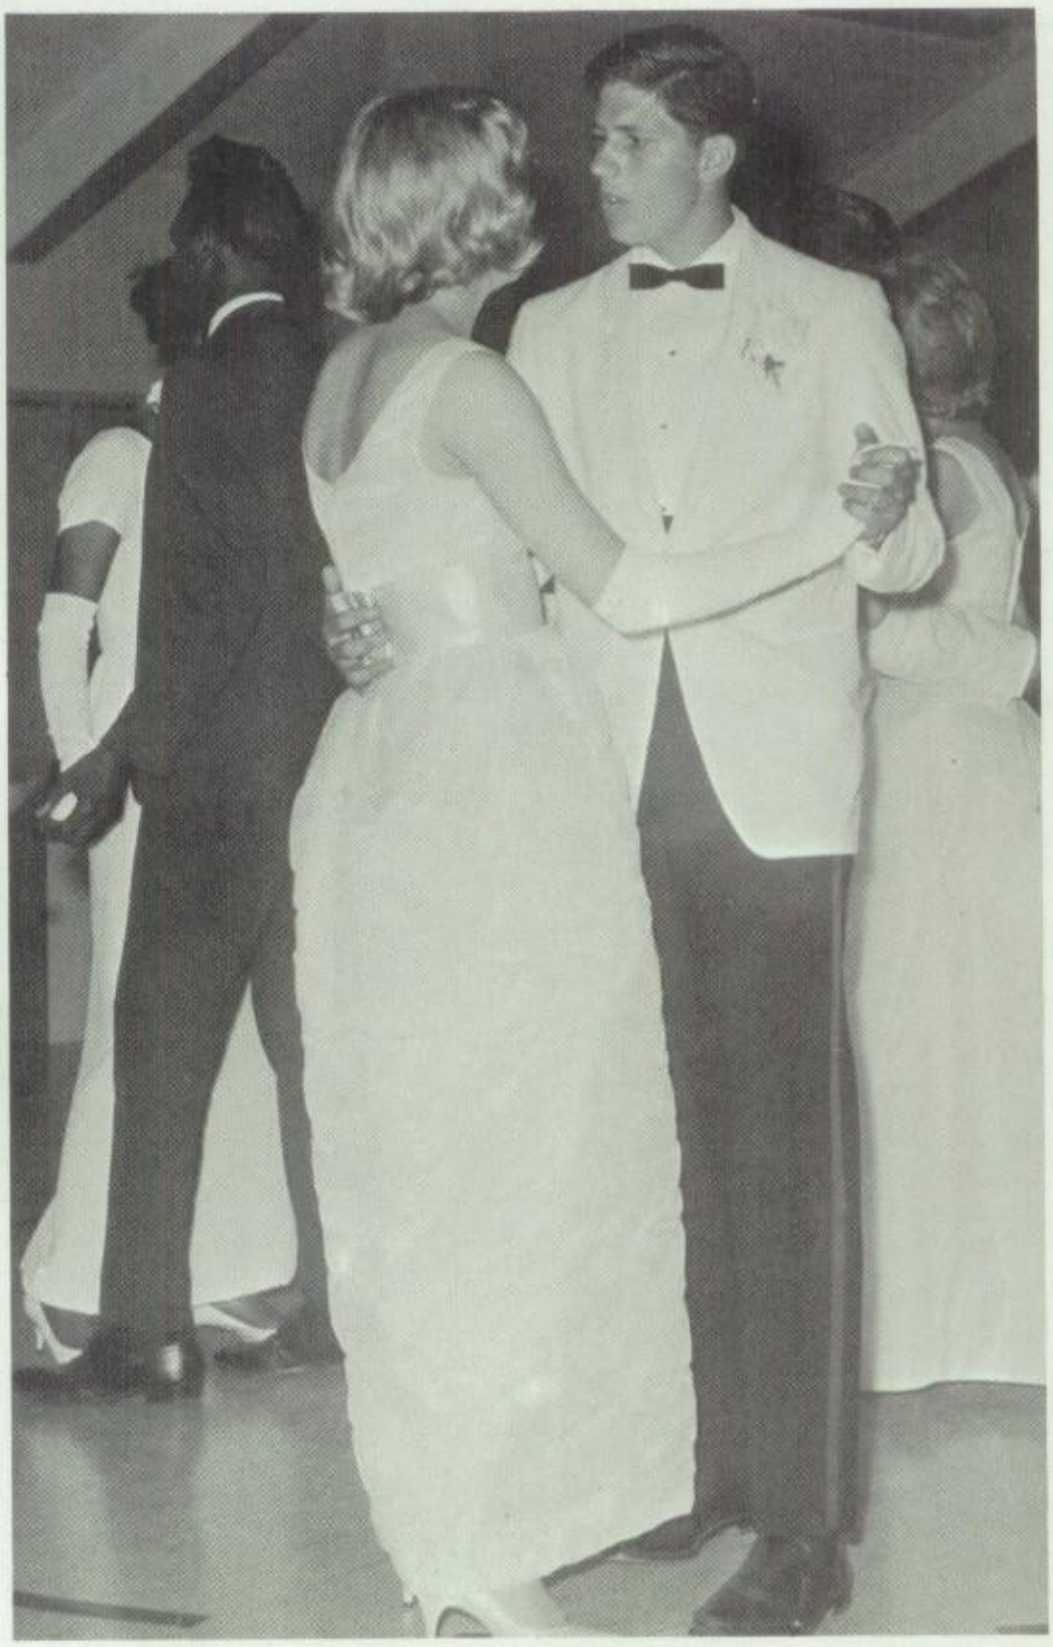
Gaye Schaaf and Tom Nolan dance the Polka.

"Evening in Paris" was the theme for the 1965 Junior-Senior Prom. Couples danced to the delightful and romantic music of Bob Warner.

The main attraction was the Eiffel Tower which was accented by blue lights. A small street cafe with candle lit tables and checked tableclothes added to the Parisian atmosphere. Servers were dressed as French waiters. A colorful cart of flowers was placed in the center of the room at which several girls sold flowers to those attending.

Margaret Tuttle, Prom chairman, and Marilyn Wilson, Co-chairman, along with Sue Joslyn, Decorations, Sandy Cross, Refreshments, and Suzanne Nastase, Tickets, helped to make the Prom the final highlight of the year.

Mike Paddock and his date take time out for an hors-d'veuvres served by Al Maynard.



Lawrence Bush seems to be disturbed when he realizes he is dancing with the wrong partner.

SKI CLUB SLIDES INTO ANOTHER SEASON

Two trips were planned by the Ski Club this year. One was scheduled for December and the other for February. Because of unfavorable weather, the trip on Dec. 27-29 was cancelled. Faithfully, snow fell once more and by February 18 they were able to attend the student weekend at Holiday Hills.

Here the club officers, Suzanne Nastase, Treasurer; Dan Cole, President; Harriet Sondreggor, Secretary; and Ron Shaw, Vice-Pres. Check that all-important thermometer.

Human Relations Seek to Understand

arnest Sanders, President, Candy Hansen, Secretary, Louise Oakes, Vice President, and Mr. Sutherland, Advisor, helped to make his year's Human Relations Club successful in attempting to accomplish their goals. Our goal is to seek to rid ourselves and ur school of prejudice and unfair discrimination so that together we may form a truly democratic society.

Bookworms Interact

Jackie Sayles seems to be day-dreaming about something other than the point that Herb Cihak is trying to get across to the members of the club.

Donna McKinney, lower left corner, ignores the argument of Frank Flynn, and Sandy Evans. Paula Carr (seated) hands a magazine to Sandy and agrees with her while Mrs. Titus, advisor, is busy observing the interaction.

FUTURE TEACHERS PREPARE FOR TOMORROW

F.T.A. OFFICERS *are from left to right:* Kathy Eyestone, Secretary; Linda Barnhart, Vice President; Louise Oaks, President; Myrna Carr, Treasurer; Frank Flynn, Parliamentarian; and Mrs. Olovson, Advisor.

This year's F.T.A. members became student teachers as a new program was started at R.P. The club assisted elementary teachers during the students' study halls. They learned of the hard work that goes into being a teacher by actual experience. Various functions were performed including decorating bulletin boards and helping the slower students. F.T.A. members gained valuable experience which will provide them with a little insight into their chosen profession.

BAND PRESENTS WINTER CONCERT

On February 24th the Sixth Annual Winter Concert was held in R-P's gymnasium. Mr. Joe Catey directed the band in the program which included "Thundercrest," "Folk Song Suite," "Gloria," "The Sound of Music," a tuba solo "Solo Pomposo" by Mr. John Beary, who is band director at Laketon Jr. High, and a saxophone quartet consisting of Hans Agard, Susan Sliter, Cinda Hickman and Linda Barnhart.

On February 5th, thirty-two bandsmen participated in the annual Solo and Ensemble Festival at Coopersville. A large percentage received "1" ratings, which is the highest rating given at the event.

Along with the choir, the Senior Band gave a Christmas assembly for students and faculty. The band's featured selection was "Brazilian Sleighride."

BATONS LEAD MARCHING BAND

This year's majorettes, captained by Linda Nordstrand, supplemented the band at the half-time shows at R-P home football games. They also participated in the parades held in downtown Muskegon such as the Memorial Day Seaway Festival, Fire Prevention, and Labor Day Processions.

Last fall they accompanied the band to Lansing for Michigan State's Band Day, where a special routing was performed.

These performances were the result of rigorous practice sessions along with training at the Smith-Walbridge Majorette Camp. Last summer Vickie Rosencrants, Lynn Bailey and Linda Nordstrand studied at the camp and the previous summer Vonda Walsworth, Linda Nordstrand and Harriet Sondreggor attended.

VOCAL FESTIVAL

This year's choir is proud of itself. And the school is proud of its choir. Under the highly capable leadership of its director, Mr. David Wikman, the choir has achieved the greatest honors and achievement in the history of R.P. Aside from the usual variety of concerts and assemblies the choir took part in the Christmas Carol Sing at the L. C. Walker Arena and in the Seaway Conference Vocal Festival, where it won three "Firsts", a new experience for our singers. It was also the highest rating given at that festival. In the spring the choir went to Grand Rapids to the District Choral Festival and won an overall "First Division", another new experience for Mr. Wikman's group. This, in turn, led to a trip to Ann Harbor for a Mass Choir Sing, again, a first time.

The choir deserves our pride. Only the exceptionally hard work of every member was it possible to develope their talent, and command the praise of the judges. Their last concert in May told of their pride. The usual robes were laid aside for tuxedos and formals.

Choir officers are: Kathy Bayne, Secretary; Brad Dulyea, Vice President; and Karen Peterson, President.

In the Christmas Assembly, Shirley MacLemore sang "O Holy Night."

If mother isn't around—Mr. Wikman is.

SPORTS

Sportsmanship is one of the most important qualities which should be possessed by any teenager. Team membership is one good way to acquire this quality.

Reeths-Puffer is truly proud of every team which represents our school. We are not only proud of our veteran teams but also those which have been recently formed, such as the wrestling team.

As a member of one of the many teams a boy can learn the importance of sportsmanship. The boys must stick together in order to win at their certain activity and must conduct themselves in a grown-up manner at all times.

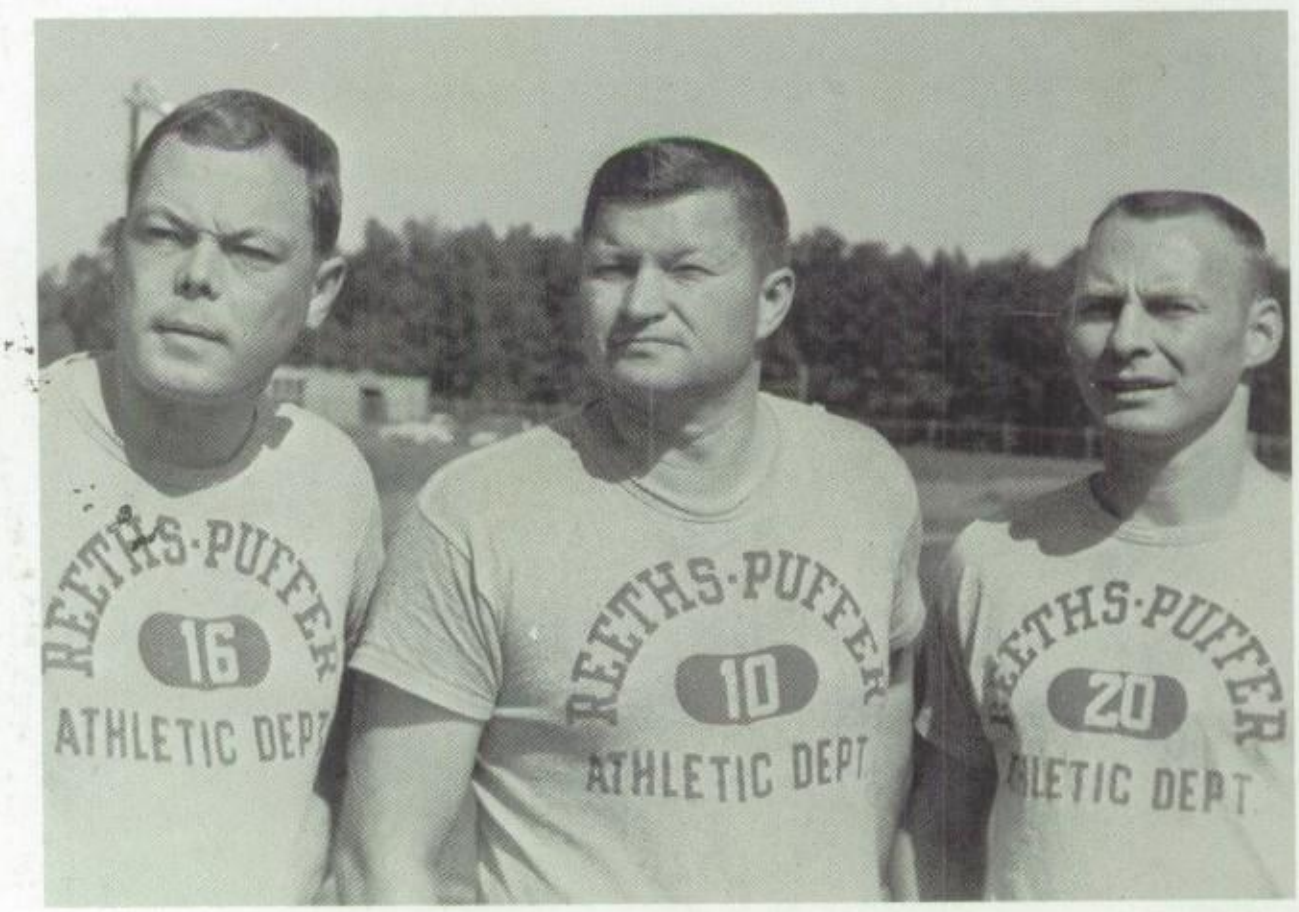
VARSITY FOOTBALL

This year is the second consecutive year that the football team of Reeths-Puffer has won the SEAWAY CONFERENCE TROPHY. The Rockets have totaled up 17 games in the last three seasons of which there were no defeats. This has been the only time in Rocket history that this has happened. This year Reeths-Puffer had seven members on the all conference team. They were; Dick Broek, Ed Betts, Tim Corradin, Emil Danz, Dave Johnston, Dale Hulbert, and Jim Staple.



The three men who led our team to victory are Mr. Voss and Mr. Smith assistant coaches (at ends) and Coach Bothouse (center).

The great RP team scored a total of 140 points this season. John Bowden is carrying the ball for another Rocket touchdown.

The track team of 1965 did well in arriving at many of their goals. The team came close to breaking many records. Among these were, shot put and 100 yard dash. The hard work put into practice showed in many of the events that were entered by the team. The Rockets forced ahead to tie for first place in the conference.

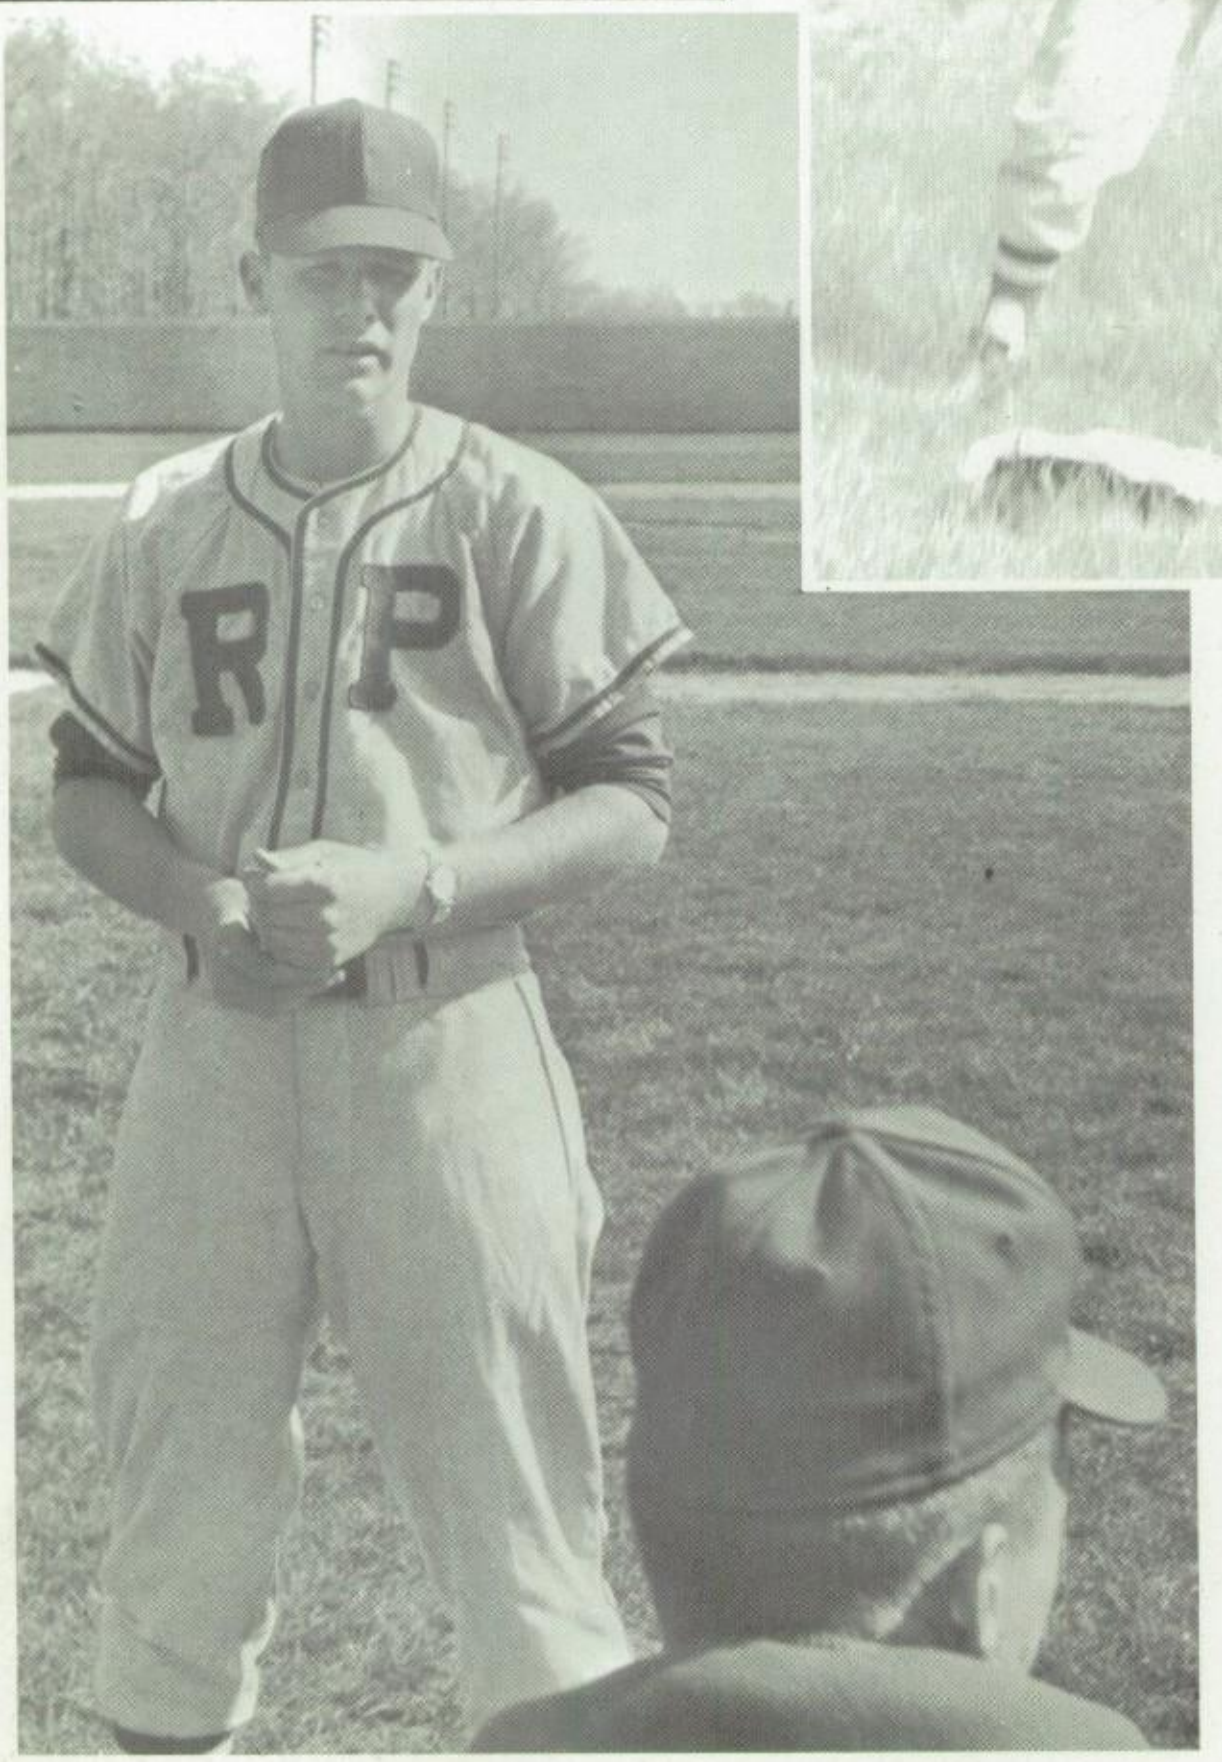
Bill Boersema is warming up on deck.



Basketball season completed, Mr. Benson directs all his attention to the coaching of the Rocket Varsity Baseball team.

VARSITY BASEBALL

In ten years of coaching, Coach Benson believes the 1965 baseball team was the best scoring team he has ever had. They placed higher in Seaway Conference than ever R P has in the past. Three boys made the All-Conference team: Mike Hiner, Don Johnson, and Chris Curtice. Don Johnson received honorary captain and an award for sportsmanship. Tom Bray was the best defensive, Bill Boersema improved the most, Chris Curtice was voted most valuable, and Mike Hiner was the leading pitcher. When bats and balls were put away for another season, Reeths-Puffer's Varsity Baseball had a final Seaway Conference standing of third.

The terrific pitching of our J.V. Baseball team showed in their great season record.

J. V. BASEBALL

The Junior Varsity Baseball team was coached by Coach McNitt who led the team into a great baseball season. The team was undefeated with ten straight wins; they placed first in the Seaway Conference. The best hitters on the squad were: Mike Emerson, Andy Pierce, Dave Schillaci, Glen Hartley, and Rod Kellogg. The best pitchers were Andy Pierce and Mike Emerson. The 1966 Varsity team should be quite fortunate to obtain some of these excellent players.

R. P.'s NEWEST SPORT HAS POTENTIAL

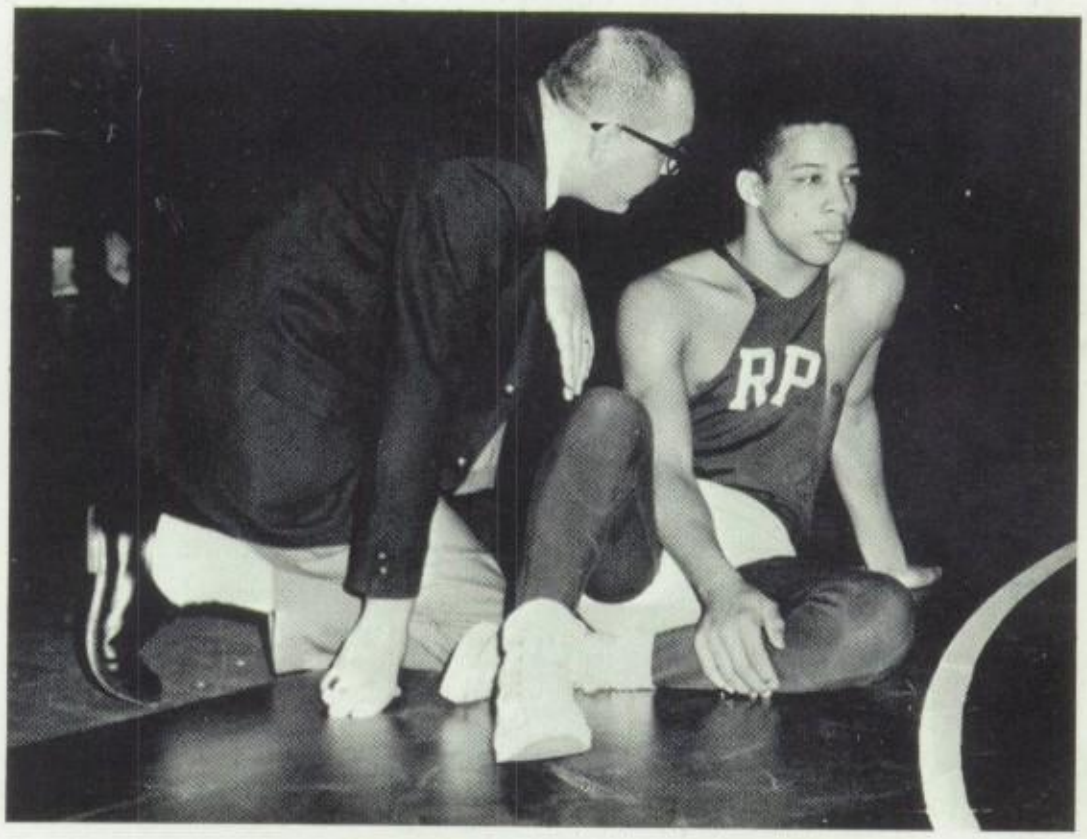
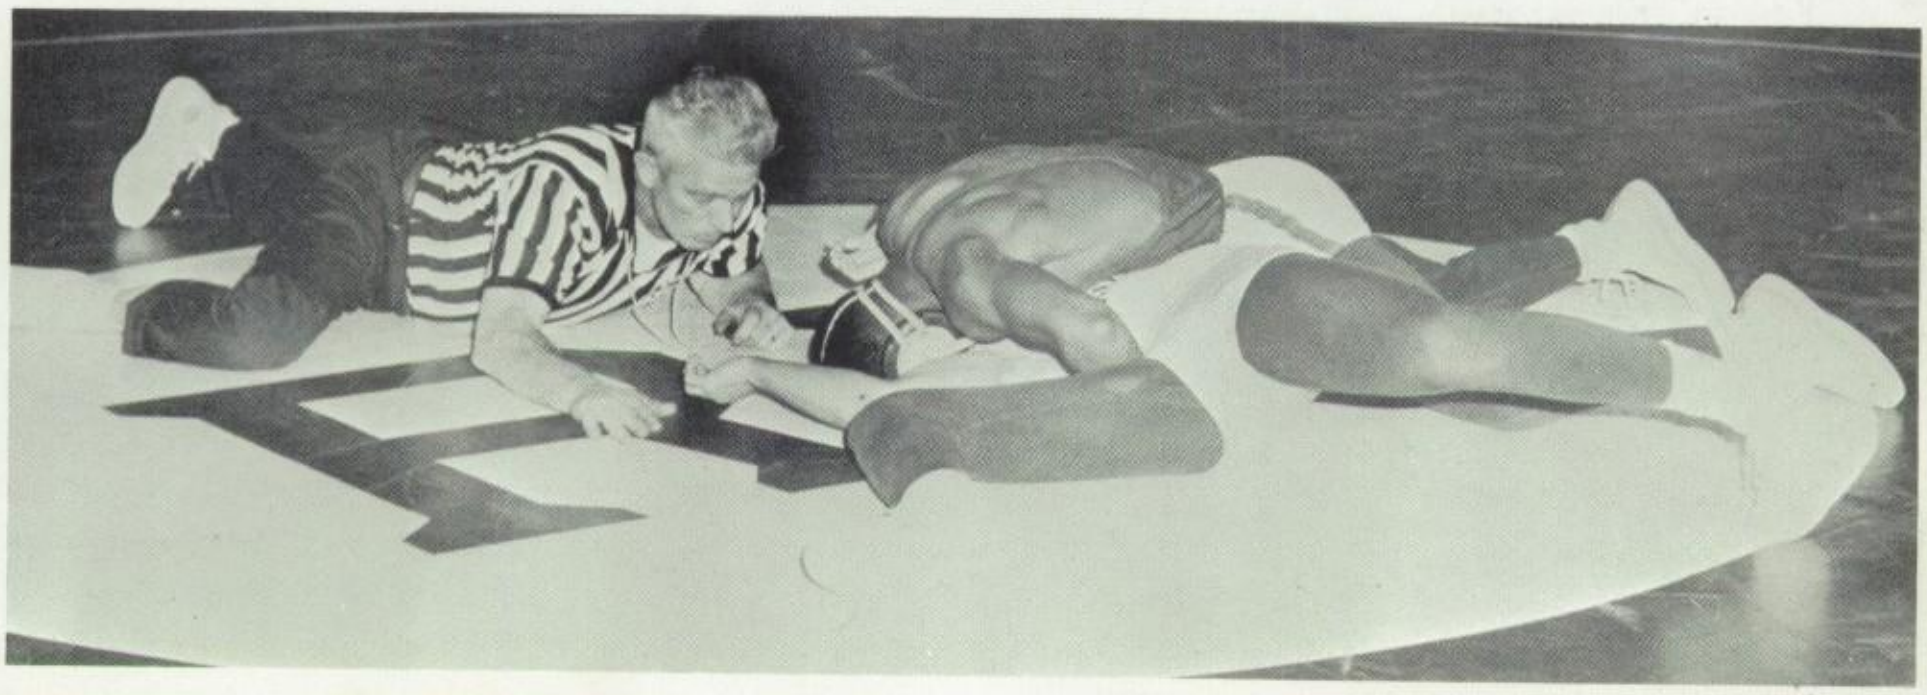
WRESTLING

Wrestling was introduced to our athletic department for the first time this year. Although the team's record wasn't the best, a marked improvement was shown from the beginning of the year. We hope that the natural ability displayed this year will help produce a top rated team next year.



Coach Cathcart discusses strategy with Pierre McKentry during a break in a match.



Alonzo Kitchens puts the supreme effort into pinning his man from Ravenna.

Forming a semi-circle around Coach Benson and manager Jerry Frost are: D. Schillaci, J. Coverly, E. Danz, T. Spyke, W. Riley, B. Pickens, E. Charles, C. Curtice, G. Cuetice, E. Betts, H. Manning, J. Norman.

VARSITY BASKETBALL

The entire faculty and student body displayed great pride in our Rockets this year. 1966 will be remembered as the year of many R-P basketball firsts. It contained the highest score of any single game and Bill Picken's record-breaking scoring. After playing a fine season, our cagers went to compete in the district tournaments at the L. C. Walker Arena. In the semi-finals, R-P downed Spring Lake; in the furious finals, we conquered Fruitport's Trojans and became the proud possessors of the 1966 District Champion trophy. This entitled our Rockets to compete in regional tournaments. A great deal of credit goes out to Coach Benson for his well-rewarded effort, to each team member for his teamwork, and to each student for his support. We will look forward to another champion team in 1967. The 1966 Basketball awards were given to the following team members: Willey Riley, Most Improved Player; Ed Betts, Best Defensive Player; Bill Pickens, Honorary Captain; Ed Betts, Most Sportsmanlike Conduct; and Bill Pickens, Best All-Around Player. Bill Pickens was also chosen for the All Conference Team and Ed Charles earned honorable mention.

It will take more than two Lakers to stop this shot!

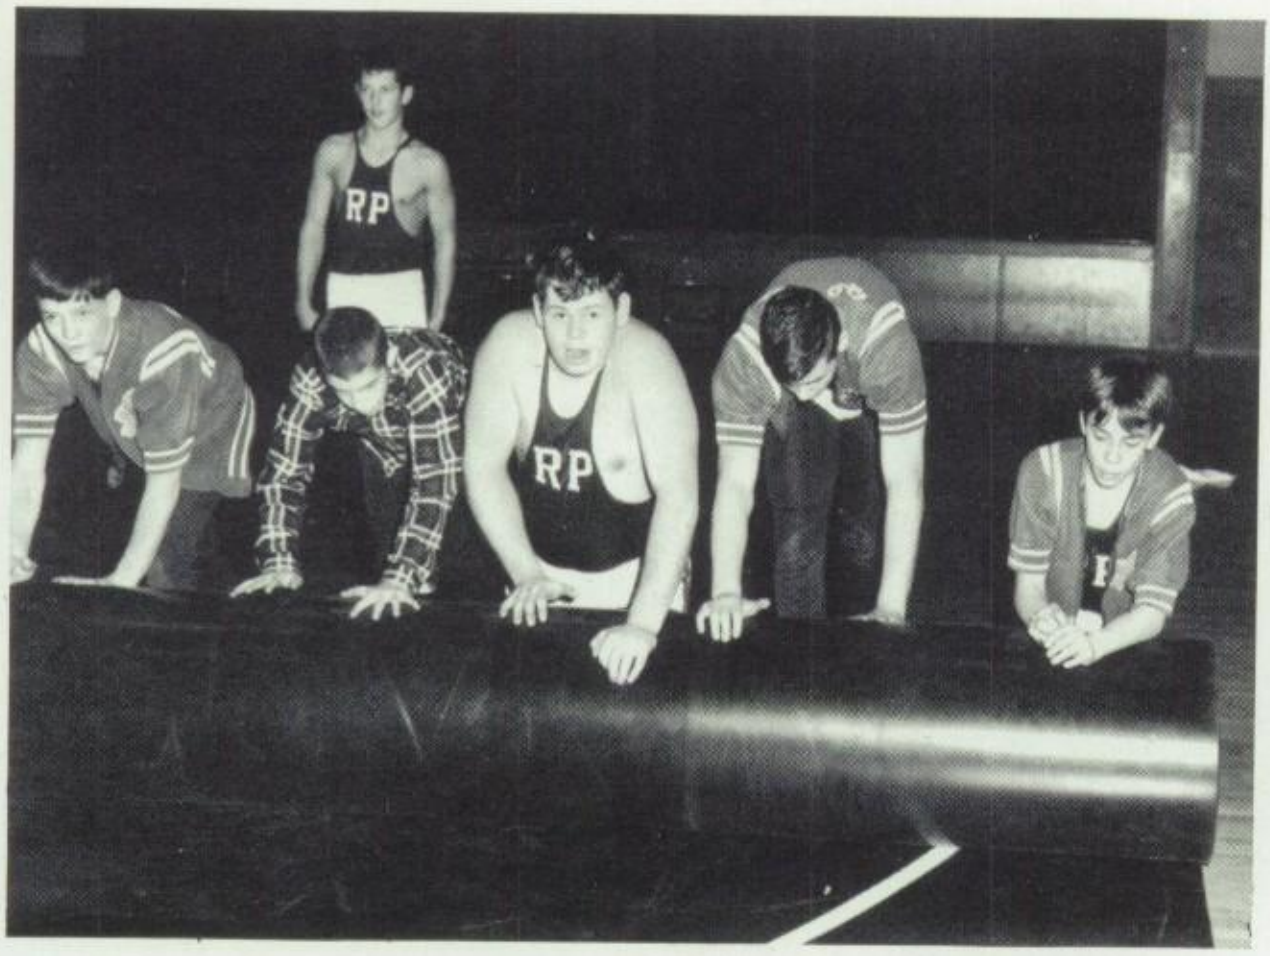
J. V. BASKETBALL

The Junior Varsity Basketball team started out strong this season. Coach Werner directed and boosted them through the tightest of games. The team won nine games and lost a total of seven games. Most of these players intend to try next winter for positions on our Varsity team.

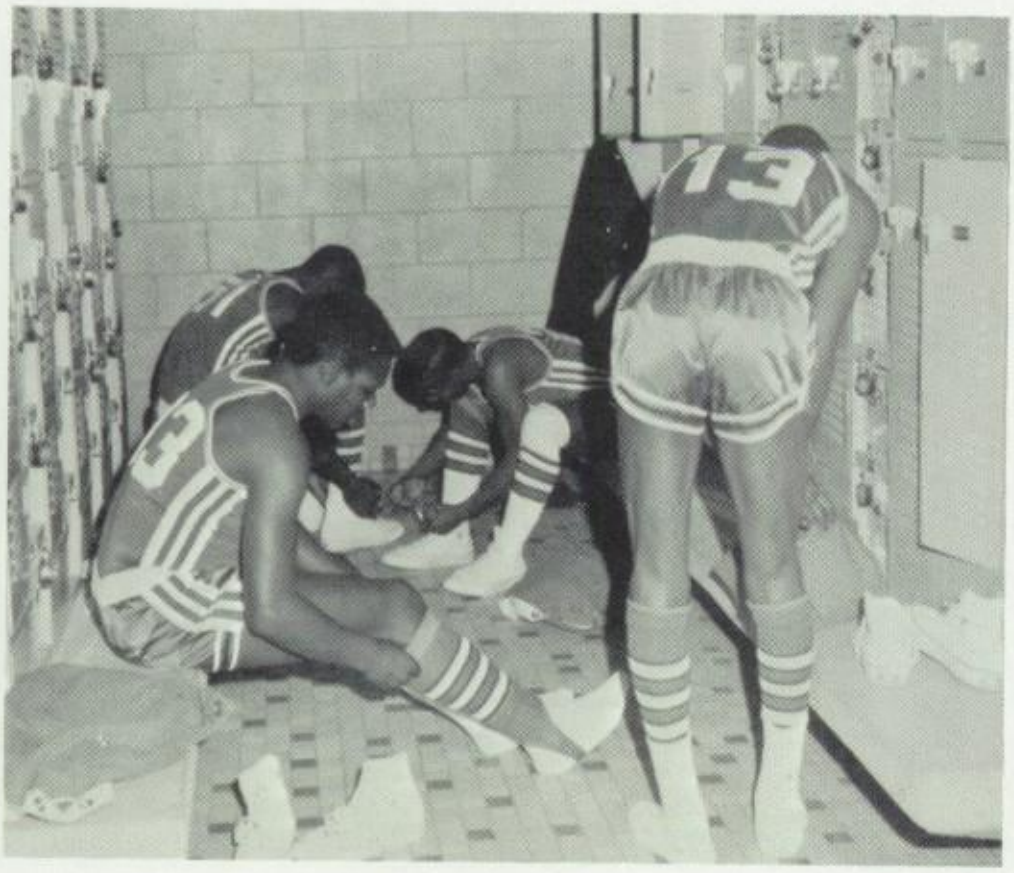
Jim VanDyke eyes one in from the corner.

AFTER THE GAME IS WON



Merrily we roll along.

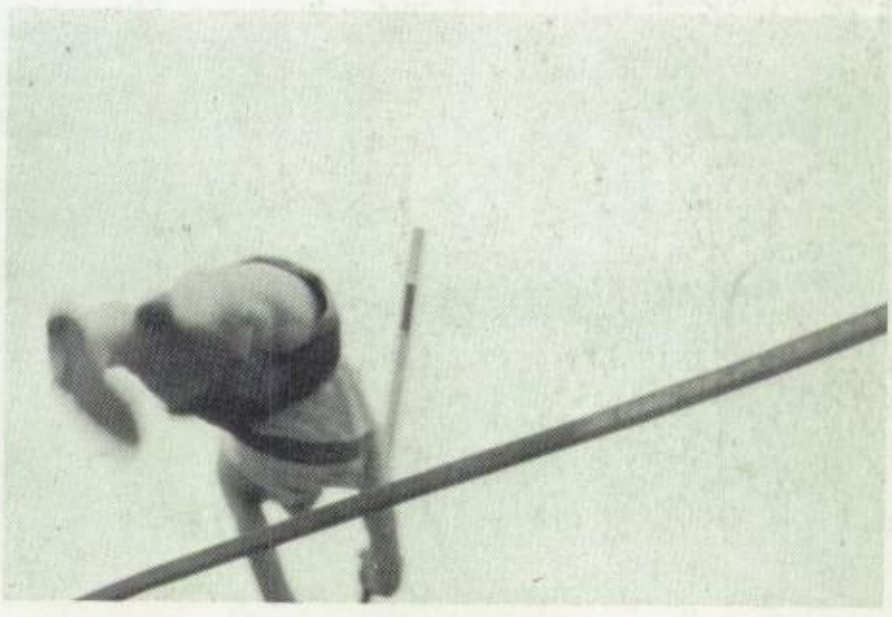
In this business you need a shower every hour.



Winning takes the worry out of being close.

This is the way we wash our coach.

You'll flip at the zip in the R-P team.



The end.

UNDERCLASSMEN

Officers of the Junior class are: Al Maynard, Vice President; Paula Carr, Secretary; and Rick Smith, Treasurer. *Standing* are class advisors Mrs. Moore and Mr. Sutherland.

With their hearts filled with the "hope that springs eternal within the human breast," R-P's unmatched underclassmen trod the trail toward graduation.

Leading this column are the Juniors with a long list of credits to their name. Their choice of officers is typical of their good taste. Also in good taste are their class rings.

Their proudest achievement is their crowning as the "Rock Yell-Champs of 65-66." It can truly be said that the Juniors have a big voice in R-P.

On the bottom of the Rocket column are the Sophomores. Though their list of credits is not as long as either the Senior's or the Junior's, they had added at least one leaf to their laurels when they captured the first place in the Homecoming float competition.

Even though this was their first year at R-P we have learned to expect much from our Sophomores.

All in all, as we look at our underclassmen, we find cause for *Great Expectations.*

Sophomore class officers are: Debbie Laird, Secretary; Dave Cwiakala, President; Jane Perry, Treasurer; Dave Fogelsong, Vice President, is not pictured. Advisors are Mrs. Houghtaling and Mr. Monnette.

"Puff Away N.M." was the theme portrayed by Puff the Magic Dragon in the 1965 homecoming float contest. This colorful red and green float (left) was the result of hours of hard work by our Juniors. Norm Duke and Mike Stevens (right) lend even more "beauty" and fun to the festivities.

SENIORS—1966

The last year of high school always seems to bring back memories to the graduating seniors. There are times when every senior from the biggest Pickle to the smallest Mouse can't help but become a little sentimental. Yes, after leaving these great halls it may truly be said that one of the best parts of your life is behind you but not to be forgotten.

Just think back for a minute about the great times you had as a senior. Here we will try to give your memory a boost:

Remember the collection that the senior class took up to buy a jacket of another school which our beloved new senior English teacher wore to get our goats?

How about those crazy ties, sweatshirts and shoes that some senior guys enjoyed wearing.

You simply won't want to forget how the class named our new mascot after the Anglo-Saxon hero, Beowulf. After being hurt, Doctor Bergin Casey performed surgery and Beowulf came out as good as new.

Can you still remember some of the crazy nicknames that we stuck on some of our classmates (Mooch, El Greco, Drunk, Cracker, Nasty)?

These are just a few of the minor experiences which took place in the grand year of 65-66. I'm sure that if you stop for just a minute you too can think of many more.

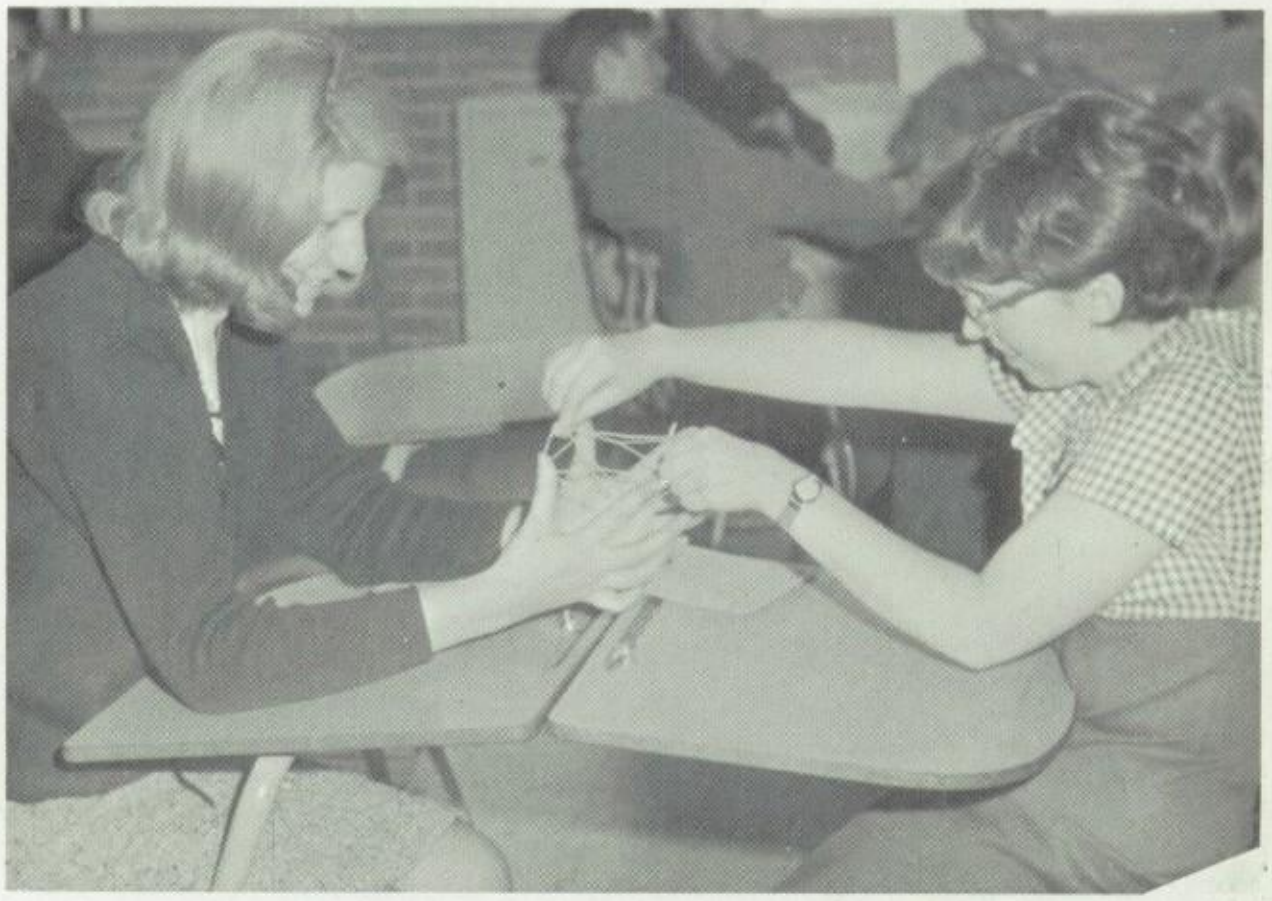
Members of the 1966 graduating class let the simple things in life amuse them.



SENIOR OFFICERS GUIDE THE CLASS

Through our years of high school, we have found that our advisors, Mr. Bergin and Mr. Seymour, have been willing to stand beside us through success and failure.

We, the Senior class of 1966, appreciate the instruction of our fine advisors.

Mr. Richard Bergin
(advisor)

Class officers and advisors worked together faithfully to make the class of '66 the best ever.

These officers were elected by the senior class because of their ability to manage the class business efficiently.

The class officers are as follows: Sandy Cwiakala, Secretary; Floyd Strandberg, President; Lawrence Bush, Treasurer; and Tom Nolan, Vice-President.

Mr. Michael Seymour
(advisor)

R-P'S EXCHANGE STUDENT

Ilka Roehl, our only exchange student this year, is making her home at the Lawrence Osborn residence. Her father lives in West Berlin, however, she attends a boarding school near Frankfurt. Being an only child, she greatly enjoys her three brothers and two sisters here in America.

Ilka enjoys going to Reeths-Puffer and prefers our system. She says the American student has more freedom in his choice of subjects than the German student.

When Ilka returns to Germany, she will have about one half of a year of school left, providing she passes her exams. She is tentatively thinking of going into journalism but hasn't decided definitely as yet. She prefers languages to other subjects as one can easily tell by the list of languages she knows or is studying: English, Latin, Russian, some French and German.

When asked if she likes the United States, the answer is always a definite yes.

Ilka presents a view of her divided country—Germany in an assembly for the student body.

ignield Andersson and Carlos Rayes Colin admire a travel poster, which reminds them of their omeland.
